### Little Oasis Playgroup 2023-24

Welcome to Oasis English Kindergarten's Playgroup program! Our nurturing and stimulating environment provide the perfect foundation for children aged 12 – 23 months old to learn and grow. Through play-based learning, interactive activities, and guided exploration, we foster holistic development, language skills, and social interaction. Our playgroup enriches children's curiosity through sensory and exploration opportunities. We provide activities with a strong focus on messy and sensory play, music and movement, and fine and gross motor skills.

Participating in our playgroup with your child will gradually build on a smooth transition to Preschool/Kindergarten years decreasing separation anxiety for children and parents. Children will develop emotional confidence and independence through familiarising with the school environment and activities. Our dedicated staff will ensure your child transitions to Preschool with confidence and a great attitude to learning.
